Task Upgrades

Choosing the right chair and upgrades can make all the difference to how great you feel at the end of each working day.

You'll find that a well ergonomically designed back and seat support will directly benefit your general health and wellbeing. Considering the demanding lifestyles we lead today, it's imperative to choose a chair that matches your body type and work demands.

Knight's seating solutions offer a complete range of ergonomically designed seating options. Test drive a Knight chair today, and feel for yourself the benefits of sitting in a chair designed with you in mind.

Standards

AFRDI

AFRDI Certification is a set of standards covering strength, durability, stability and safety. This means that we are accountable for maintaining the quality of our products, submitting them for regular auditing to ensure they meet the highest standards for commercial use.

APPLIES TO:

Evo, Evo Luxe, Evo Express, Plymouth, Urban Mesh

BIFMA

BIFMA

BIFMA Certification ensures furniture meets safety and performance standards set by the BIFMA Engineering Committee. It provides a common basis for evaluating safety, durability, and structural adequacy, regardless of materials, through defined tests, equipment, conditions, and minimum acceptance criteria.

APPLIES TO:

Vogue, Aero, Flex, Urban Mesh, Blade, Tone, Eagle, Lume, Cygnet, Solace, Game

GREENGUARD

Products that have achieved GREENGUARD Certification are scientifically proven to meet some of the world's most rigorous third-party chemical emissions standards, helping to reduce indoor air pollution and the risk of chemical exposure.

APPLIES TO:

Metro, Tone, Huracan, Stax, Vulcan, Game

ISO 14001

Our ranges are manufactured in factories accredited to ISO14001. This internationally recognised and independently certified Environmental Management System (EMS) plays an important role in decreasing pollution and waste in the manufacturing process and reducing the overall environmental footprint of a factory's operations.
